

Green Ventures 2010

Germany's leading environmental and renewable energy technologies partnership forum

June 16-18, 2010 - Potsdam (near Berlin), Germany www.green-ventures.com

Greenwatt Technology is pleased to be working as UK partner to the Potsdam Chamber of Commerce and Industry and invites you to attend **Green Ventures 2010** - a partnership forum designed to bring together businesses and organizations working in the following sectors:

- recycling
- renewable materials
- sustainable transport
- renewable energy
- eco-construction
- water, air and soil

Why you should attend Green Ventures

Green Ventures - an annual event in Germany since 1998 - facilitates direct business-to-business contacts throughout Europe and beyond. Environmental companies and organizations looking for European partners, suppliers or customers will benefit from attending. For a nominal fee of only **€50** you will receive

- ✓ **your company profile listed in the printed and on-line catalogue**
- ✓ **matchmaking facility with relevant businesses in your sector**
- ✓ **translation services at bilateral meetings (conference language is English)**
- ✓ **attendance at opening ceremony on June 16**
- ✓ **appointment planning for your one-to-one business meetings on June 17**
- ✓ **lunch on June 17 and 18**
- ✓ **visit to innovative firms & projects in the Berlin-Brandenburg Region**

Free registration

Go to www.green-ventures.com and **register now** to ensure your company is included in the catalogue.

Representation service

If you wish to register but can't attend, we offer a representation service to UK companies. Select which companies/organisations you are interested in and we will represent you, explain your offer, exchange business cards and/or brochures, and report back to you. The charge for this service will be **€30 per 30 minute meeting held**.
